RE: Tax Organizer Letter for the year ended December 31, 2021

Dear Client:

This Tax Organizer is designed to help you gather the tax information needed to prepare your 2021 personal income tax return. To help you complete the organizer with minimal time and effort, when available, you will find certain information from your 2020 personal income tax return.

Please use the Tax Organizer pages provided as a guide and fill in information when another document is not available. If any information does not apply to you or is incorrect, please draw a line through it or make the necessary corrections.

The Client Questionnaire asks about pertinent tax items necessary for preparing the most accurate tax return possible. Please answer all applicable questions and attach a statement when necessary for additional information not provided in the Client Organizer.

We will also need the following information:

- Forms W-2 for wages, salaries and tips.
- All Forms 1099 for interest, dividends, retirement, miscellaneous income, Social Security, state or local refunds, gambling winnings, etc.
- Information relating to Bitcoin or NFT's
- Brokerage statements showing investment transactions for stocks, bonds, etc.
- Schedule K-1 from partnerships, S corporations, estates and trusts.
- Statements supporting educational expenses, deductions or distributions, including any Forms 1098-T, 1098-E, or 1099-Q.
- All Forms 1095-A, 1095-B, and/or 1095-C related to health care coverage or the Premium Tax Credit.
- Statements supporting deductions for mortgage interest, taxes, and charitable contributions (including any Form 1098-C).
- Copies of closing statements regarding the sale or purchase of real property.
- Legal papers for adoption, divorce, or separation involving custody of your dependent children.

- A copy of your income tax return from last year, if not prepared by this office.
- All correspondence from any tax authority you received in 2021 including issued IRS PINS for efilting received in December 2021/January 2022. Also, Stimulus payments and Advanced Child Tax Credit payments.

The IRS does not send out unsolicited emails requesting detailed personal information. Such authentic-looking emails are called "phishing" emails and responding may expose you to identity theft. If you receive such an email from the IRS, send a copy of the email to [phishing@irs.gov](mailto:phishing@irs.gov). Please do not respond to the email unless the email request you send to the IRS has been verified as legitimate. You may also contact our office regarding any correspondence, written or electronic, that you receive from the IRS.

In order to meet the filing deadline for your 2021 income tax return, your completed tax organizer and all required documentation needs to be received by our office no later than March 14, 2022. Any information received after that date may require an extension of time be filed for your return.

Most individual tax returns are billed a flat fee which is based on a combination of factors including complexity, time required, market conditions, etc. If there are notable changes from the prior year, the fee will be adjusted accordingly. In an effort to reduce your cost, refer to your organizer as a guide and provide documentation as outlined as soon as possible. This will help your tax preparers complete your return efficiently and timely.

Services that go beyond the scope of the engagement letter (including tax planning) are billed at our standard hourly rates, which will vary with the personnel assigned to your engagement.

For any documents that may require Federal Express or other forms of rush delivery, there will be a surcharge in addition to the tax preparation fees. If you would like to schedule an appointment for the preparation of your 2021 tax return, please call our office to set up a time. Due to the ongoing COVID-19 pandemic, we are limiting in-person appointments this year. We encourage that all meetings be conducted by phone or video conference platforms, such as Zoom.

To minimize your risk of identity theft related tax fraud, we recommend filing your tax return early. This reduces the risk of identity theft, as your return will be accepted by the IRS and the criminal's opportunity to file a return in your name will be denied. The IRS will begin accepting returns this year on January 24, 2022. Early filing helps with prevention!

Thank you in advance for your anticipated cooperation. Please contact us if you need assistance in completing the tax organizer. We will be happy to answer any questions you may have. We appreciate this opportunity to be of service to you.

Very truly yours,

Weidema, Lavin & Grott Accounting, P.C.
